

## WARA Equipment For Sale

WARA has a number of items of equipment which are no longer in use and need to be disposed of. As a first step, these are now offered for sale to eligible persons.

### Eligibility

Persons who have either competed or volunteered in a WARA rogaine within in the last two years (2024 or 2025) are eligible to purchase the equipment.

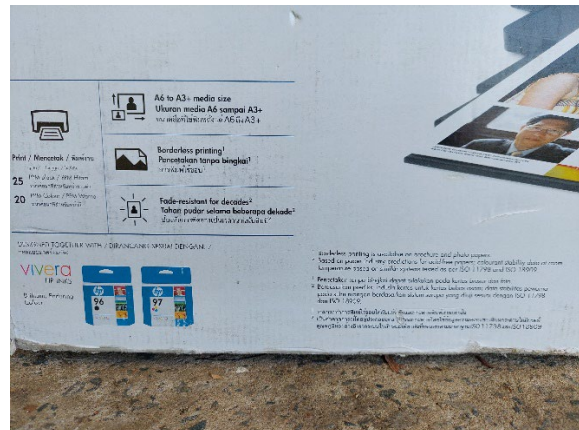

People can submit (by email) a bid/offer to buy any or all of the lots for sale. Each lot will be sold separately to the highest bidder, noting that there is a reserve price on several items.

The bidding period ends at 6pm on 20 March 2026.

The following equipment is available for purchase:

### LOT 1

#### Colour printer – HP K7100

Comments: In working order; approximately 15 years old.
